Mr. Marc Stocks
President
Western Municipal Securities Corp.
583 N. Minaret Street
Turlock, CA 95380

Dear Marc:

This acknowledges receipt of your 2003 annual filing of audited financial statements made pursuant to Securities and Exchange Commission (SEC) Rule 17a-5(d). A review of the "Computation of Net Capital Under Rule 15c3-1" for December 31, 2003 indicates that the firm's Net Capital was overstated due to the inaccurate treatment of the following items:

Advance – Employee	\$2,309.90
Advances - Stockholders	\$5,651.90
Deferred Income Taxes	\$2,000.00

As the above items are considered Non-Allowable Assets, they should be taken as a deduction on the Net Capital Computation. Please refer to SEC Rule 15c3-1 in the *NASD Manual*. We urge you to review this Rule with your Financial Operations Principal and Independent Accountant.

We request that you make the appropriate changes to the net capital computation and provide a revised version of the "Computation of Net Capital Under Rule 15c3-1" and the "Reconciliation with Company's Computation" to this office and to the appropriate SEC regional or district office, and two copies to the SEC Washington, D.C. office. Your submissions must include a new completed Form X-17A-5 Part III Facing Page, a copy of which is enclosed for your convenience. In addition, please make the appropriate amendments to the December 2003 Focus Filing.

Please attend to this matter promptly. If you have any questions, please contact me at (415) 882-1278.

Sincerely,

Anne Enos Examiner
